of sacred song for the Sabbath Another characteristic must be spirit and life. Music ought to rush from the some interiesting Compounds Tha audience like the water from a rockclear, bright, sparkling. If all the other part of the church service is dail, do not have the music dull. With so many thrilling things to sing about, away with all drawling and stupidity. There or teams city salesman, and dropped is nothing that makes me so nervous into a grocery not far from the levee audience with their eyes three-fourths closed, and their lips simust shut, mumbling the praises of God. During ting with the proprietor a big, slowelyone of my journeys I preached to an looking negro lounged in and called for audience of 2,000 or 3,000 people, and a 'Jim Carter.' I had never heard of all the music they made together did such a beverage, and watched the barnot equal one skylark! People do not tender with some curiosity. He took sleep at a coronation; do not let us an ordinary tumbler and proceeded to

you should less your piece in the mu-sical scale and be one Chelow when you a dozen or more alivers of 'fat' pine in ought to be one Cabore, or you should a bottle of liquor and allowing it to come in half a bar behind, we will excuse you! Still, it is better to do as Paul time in the wood is gradually absorbed says and sing "eith the spirit and the and given a horrible, resinlike flavor to understanding also,"

of the whole at worshipers can what an easy kno of chirch it must be where the minister does all the preachting and sirup is consumed in large quantum or the choir all the praying and a good deal of claret, but never refer to it by that name. For some utterly unfathomable reason they have christened it is always a good deal of claret, but never refer to it by that name. For some utterly unfathomable reason they have christened and designs. One of the old-fashioned it 'cocaine,' and as such it is always afructures is particularly confusing. It happened only a few nights ago, it has pened only a few nights ago, it has pened only a few nights ago, it happened only a few n ered a disturbance if a man let out his roice to full compass, and the people get up on tipus and look over between the spring hats and wonder what that man is making all the noise about. In Syracuse in a Presbyterian church there was one member who came to me when I was the justor of another church in that city and told me his trouble, how that as b

sparatus, which is the most compared apparatus, which is the most compared and elegant I have seen. He charged the bottle, and attempted an experiment; but the state of the air was not to this duty. Let us sing alone, sing in our expelled with our careful our transfer our trans our families, sing in our schools, sing our church-I want to rose you to an unanimity in Christian and that has never yet Franklin doubtless often had to wait been exhibite. Come, now; clear your until a favorable state of weather per-throats and get ready for this duty. I

English assemblage heard a band play
"God Save the Queen?" If you have,
show something about the enthuin length, which manifest all the pecuisiasm of a national air. siasm of a national air.

Now, I tell you that these songs we sing Sabbath by Sabbath are the national and the loud, crackling noise accompanying the discharge. sing Sabbath by Sabbath are the na-tional airs of the Kingdom of Heaven. When the discharge takes place in a

and if you do not learn to sing them here glass tube at a pressure of air about two and if you do not learn to sing them here how do you ever expect to sing the song of Moses and the Lamb? I should not be surprised at all if some of the best anthems of Heaven were made up of some of the best songs of earth. May God increase our reverence for Christian realwork and here us from distian psalmody and keep us from dis-

FISH OFTEN EPICUREAN.

Are Quite Fastidious About Their Food.

Many fishes that swim the sea are as | tance of five feet, one feels the prickle. particular in their diet as any gourmet who sates his appetite at the swell restaurants in Chicago's downties of opinion in regard to music, it seems to me that the general spirit of the word of God indicates what ought to be the great characteristics of church music. And I remark, in the first place, a rominent characteristic ought to be laptiveness to devotion. Music the figure in it as the goat does in our own comics. The codish has, in fact, an appetite which makes the goat's look pale, and when fishermen cut the fish open they assert that they often find open they assert that they often find such things as scissors, suspended bucdoorknobs, marlin spikes, corncobs and India rubber shoes.

Another startling story told by fishermen is that in heavy weather codfish eat stones to ballast them, but it is there. One of the most beautiful exmore likely that these rocks are taken in while attached to sea anemones, of performed is to place a number of which the codfish are very fond. It oranges between the discharging points may be inferred that codfish do not of the apparatus in such a manner that object to nibble the fingers or hands of lemman beings, because the wedding oranges by wires. When the discharge ring of a drowned woman was once passes, each orange glows in the dark found in a cod's stomach and the finder like a golden Chinese lantern. got \$250 reward for its return.

in the ocean, "nested" together like orange. strawberry boxes, which are believed to have once been in the stomachs of coolfah. The appetites of these fish are experiments. The explosion by these experiments. The explosion by these experiments. The explosion by these experiments. The explosion by the effect of the mile flower friends confortable, we make our friends confortable, we make our ming flash; it is simply the effect of the PEMBERTON A LARRIMORE brated free chair cars, dising cars, Pull-man sleepers.

Francisi Grospendents for District comprising counties of feetly equipped, to Omaha, Sioux City, St. Paul.

Whiriwind to catch the blending of the music rises to where God is, and the invisible beings who float above us, then I suppose the harmony is as sweet as its tremendous, the law of tomult.

The proposition of the programmes of the programmes of worldly gayety when we have so many the special control of the programmes of the programmes of worldly gayety when we have so many the cart of the programmes of the programmes of the programmes of worldly gayety when we have so many the cart of the programmes of fish is perhaps the most terrible and bloodthristy thing in all nature. The tiger has a sweet and cheerful disno ition compared to the bluefish tions—tunes no more worn out than they were when our great-grandfations—tunes no more worn out the strength of t how they used to sing? COME HOME TO WRONG FLAT.

Wise is the man who, if fate decrees that he shall dwell in a flat, takes pains to master all details by which his own may be distinguished from that of his next door neighbor. For if he fails to do so strange things may transpire, as this story will demon

It happened only a few nights ago are six entrances, all much alike, each giving ingress and egress to the ten-

the building. That sounds easy end night in question the family, cor young mother, and a little girl, went to the theater, leaving the flat in charge of the brother of the paterfar young man of some 21 years and gifted with an appetite for slur

ned no one knows, but they all missed the count and turned in at the fifth en trance from the east end of the build-ing instead of the fourth. A ring at the door bell at first brought no reply. They were vexed, for they had no latchkey with them. A few more rings, however, brought an answer.

The door was opened an inch and a sleepy male voice said: "Who is it?" "What did you think it was,

And with this remark the man pushed on through the door, followed at once by his wife and little girl, into the dimly lighted parior. In the middle of the room stood a dazed looking ndividual, with sleep-heavy lids and frowzled hair, attired only in a rather brief night garment.

Paying no further attention to her apposed brother-in-law, the woman took off her hat and began making herself otherwise quite at home,

room spoke. This is what it remarked "If you folks want anything here, or it can do anything for you, please tell and I'll try and accommodate you. As sure as fate, that voice was a "Why, isn't this number 5117" the

They stood not on the order of their going, but went at once. Not, however, before the woman had picked up her hat little girl by the arm. The next evening an extremely em

ology was accepted in good part. It is said that people in the same flat uilding never get acquainted with each other. The young man who was nistaken for a brother and a brotherin-law now is wondering whether that all was the end or only the beginning d social relations between the two families. As he is the older tenant, he says the problem is one his wife must decide.-Chicago Inter Ocean-
